

Sentinel Partner Advantage

Arcadia Art Consultancy (AAC) is a boutique tangible asset management firm, specializing in supporting high net worth individuals build, manage, preserve, and transfer their collections of fine art, jewelry, and other luxury assets.

ARCADIA ART CONSULTANCY
ADVISORS & APPRAISERS

As a trusted advisor and USPAP compliant appraiser, AAC provides tailored solutions to ensure that clients make financially prudent decisions regarding the long-term management of their collections.

Appraisal Reporting:

- Jewelry
- Art
- Antiques
- Furs
- Books, Maps & Manuscripts
- Coins & Currency
- Silver
- Collectibles
- Memorabilia
- Musical Instruments
- Watches & Clocks
- Wine & Spirits

Getting your collections properly appraised is an important first step in protecting it. Working with a qualified appraiser and maintaining a full schedule with updated values are critical components in the appraisal process.

Other services offered by Arcadia include:

- Advisory Services
- Collection Management
- Cataloguing, research, and transcription
- Insurance schedule reviews
- Market analysis reports
- Visual inventory reports
- Walk-through assessments

The Sentinel-Arcadia Partner Advantage

AAC and Sentinel Risk Advisors work in conjunction with your insurance carrier to provide the coverage limits and terms you need to properly protect your collections.

- Ensure adequate limits and proper insurance placement
- Review clients' tangible personal property
- Provide consultation on collection management and risk mitigation concerns

Contact your Sentinel advisor today to learn more about what our Partner Advantage can do for you.
