## GREEN LIGHT PRIORITY RESPONSE PROGRAM

**SASSER RESTORATION**, founded in 2009 in the Greensboro-metro area, has grown to become one of the industry's most trusted and respected emergency restoration contractors. With an unrivaled network of experts and response capabilities, Sasser has successfully led both our neighbors and the world's largest corporations through disaster recovery and restoration situations. At Sasser, we are committed to our core values of responsiveness, service and quality. Our primary service categories include:

### DISASTER PREPAREDNESS & PRIORITY RESPONSE

Our approach to disaster mitigation begins before the disaster strikes. We analyze disaster trends and response protocols to minimize losses before they happen.

### RESPONSIVE, TURN-KEY MITIGATION

We are equipped to handle every aspect of the mitigation project—from fire and smoke damage to floods and wind damage. Our network of First Responders ensures cleanup begins quickly, reducing losses and speeding recovery.

### ENVIRONMENTAL REMEDIATION SERVICES

Our experience, certifications and tools allow us to remediate the most complicating microbial, mold, biohazard and infectious disease issues quickly and effectively.

### DISASTER RECONSTRUCTION

With an unlimited, multi-state GC license and decades of experience in commercial and residential construction, we have the tools and expertise to help you rebuild after a loss.

## THE GREEN LIGHT PRIORITY RESPONSE PROGRAM DETAILS:

### WHAT IS GREEN LIGHT?

Green Light is a program offered by Sasser in conjunction with Sentinel Risk Advisors to help clients prepare for and recover from catastrophic and emergent events, including hurricanes, fires, floods and biohazards. Green Light helps Sasser help you by planning ahead and allocating resources when they are most scarce.

### HOW GREEN LIGHT KEEPS YOU MOVING IN 3 EASY STEPS!

1. Sasser monitors weather-related and other impending disasters and contacts you ahead of imminent scenarios for planning
2. When you experience a catastrophic loss, calling Sasser at **844.449.1144** kickstarts your recovery plan
3. Sasser prioritizes response to and mitigation of your property while coordinating with Sentinel and your insurance carrier

### WHAT VALUE DOES IT BRING & WHAT DO I NEED TO DO?

The Green Light Priority Response Program puts you at the top of the response list during a catastrophic event, reducing the time you are displaced and limiting the chances of secondary damage.

As a Sentinel client you are covered by the Green Light Priority Response Program— **if you experience a catastrophic loss all you need to do is call Sasser.** We are ready to respond **24/7, 365.**
